Re: Docket No. 06-36

Dear Ms. Dortch:

On a voluntary basis, Cablevision Lightpath, Inc. ("Lightpath") hereby files in the above-referenced docket its annual certification covering the period from January 1, 2007 through December 7, 2007. Lightpath respectfully requests that the attached certification be associated with its annual certification covering the period from December 8, 2007 through December 31, 2007 that was filed with the Commission in the same docket on February 29, 2008 in compliance with section 64.2009(e) of the rules effective on December 8, 2007.

Please direct any questions regarding this filing to the undersigned at (516) 803-4813.

Respectfully submitted,

A handwritten signature in dark ink, appearing to be "J. Koester", with a long horizontal line extending to the right.

STATEMENT REGARDING OPERATING PROCEDURES

Lightpath assures compliance with the Federal Communications Commission ("FCC") regulations on protection of customer proprietary network information ("CPNI") by way of the following:

- Adoption, dissemination, and training of employees on CPNI protection policy and procedures.
- Maintaining procedures to secure CPNI from inappropriate disclosures.
- Maintaining systems that clearly record whether customer CPNI may be used for marketing purposes outside the total service approach.
- Maintaining procedures for appropriate approval and review by the Lightpath legal office of any proposed use of CPNI.
- Maintaining procedures for appropriate recordkeeping of allowable uses of CPNI.
- Maintaining procedures for identification, reporting, and remediation of any inappropriate use of CPNI, including employee disciplinary procedures, if necessary.
